Die nebenstehende Matrix zeigt, welche Desinfektionsmittel zur Reinigung und Flächendesinfektion von **skai®** Polstermaterialien gekennzeichnete Desinfektionsmittel bitte vor dem großflächigen Einsatz an einer verdeckten Stelle prüfen. Falls möglich verdünnt anwenden und nicht über einen längeren Zeitraum einwirken lassen.

● Desinfektionsmittel, die zur Reinigung und Flächendesinfektion von **skai®** Polstermaterial empfohlen werden.

● Desinfektionsmittel, die zur Reinigung und Flächendesinfektion von **skai®** Polstermaterial bedingt empfohlen werden. So gekennzeichnete Desinfektionsmittel bitte vor dem großflächigen Einsatz an einer verdeckten Stelle prüfen. Falls möglich verdünnt anwenden und nicht über einen längeren Zeitraum einwirken lassen.

● Desinfektionsmittel, die zur Reinigung und Flächendesinfektion von **skai®** Polstermaterial nicht zu empfehlen sind.

The adjoining matrix shows which disinfectants are recommended, conditionally recommended or not recommended and disinfecting **skai®** upholstery materials. These classifications are based on the results of an extensive series of materials.

● Disinfectants recommended for cleaning and disinfecting **skai®** upholstery material.

● Disinfectants which are only conditionally recommended for cleaning and disinfecting **skai®** upholstery material marked as such should be tested beforehand on a hidden section of the material. If possible, use diluted and to act for a prolonged period.

● Disinfectants not recommended for cleaning and disinfecting **skai®** upholstery material.
